Sleek and modern, but NEVER boring.

Enhance your TANDEMBOX intivo with the character of Dreamwalls® Color Glass back-painted glass. Added as the design element to a D height drawer, it allows more brilliant color and personality to permeate throughout the environment.

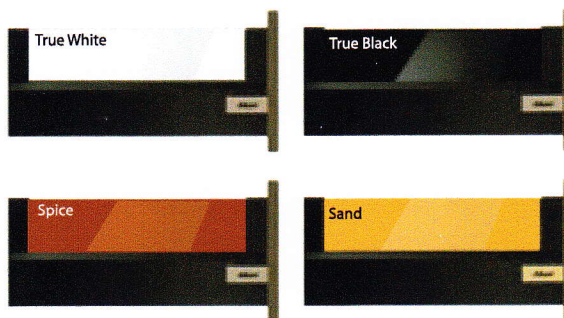

In quality tempered 8mm thickness, Dreamwalls Color Glass it is the perfect accompaniment to your system. Glass inserts are extremely durable in tempered glass, hygienic, and easy to keep clean, making them a practical addition to any kitchen or organizational system. More importantly, the unexpected shot of pure, saturated color enhances the décor with emotion and life.

Dreamwalls color glass is also available in coordinating custom pieces such as backsplashes, countertops, tabletops, shelves, and even outlet covers and switch plates, for a system with a unified look. Call us today for your quote.
